

How to Build Trust & Expertise with After Action Reviews (AARs)

AARS

After Action Reviews (AARs) help save lives, build trust, and share priceless, unwritten expertise.

Safety-driven teams in the military, emergency fire & rescue services, and other high-hazard industries have used these psychologically safe, semi-structured, post job debriefs for over 40 years.

In this fast-paced presentation, you'll learn how to lead AARs for your team. And best of all, you'll actually DO a brief real-world After Action Review.

You'll Learn:

1. How to ask the four key questions of an After Action Review (AAR)
2. How to avoid eight (8) common mistakes of leading AARs.
3. Why AARs have been called, *"One of the most successful organizational learning methods yet devised."*
